Thank you for your interest in starting a local chapter of PayrollOrg in your area or re-affiliating your chapter. The benefits of establishing and being a part of a local chapter are tremendous and can lead to **substantial personal rewards** as well as **opportunities that will energize your career**.

PAYO relies on its local chapters as a valuable source of information on state and local issues affecting its members in the payroll profession. As an added bonus, chapters remain an ideal venue for **frequent and productive networking** among local PAYO members. Each local chapter is applauded for being a vital part of the payroll community.

By expressing your interest in starting a chapter or re-affiliating your chapter, you have already taken the first step in the short process. From now on you can be assured that you have a reliable partner in PAYO, and we are dedicated to seeing you succeed in this endeavor. Establishing and developing your local chapter will still be a substantial amount of work, but as any chapter member will tell you, the sense of **fulfillment and satisfaction** you get in return will be well worth the effort.

Members of PAYO staff as well as local chapter members have helped compile the information contained in this guide. In it, you will find a great deal of practical information along with some indications of what you can expect. The information in this guide is not meant to be a strict blueprint for your chapter. Instead, you are welcome to introduce your personal touch to key components that will come to define the spirit of your chapter. Additionally, you can always call upon the Chapter Relations staff to assist with any aspects of establishing your new chapter.

We look forward to working with you to make your local PAYO chapter a success!

# What is a Local Chapter of PayrollOrg?

---

Now that starting a PayrollOrg (PAYO) Chapter has sparked your interest, it may help you to know exactly what a chapter is and how it is related to PayrollOrg National. Being that there are many ways that national organizations can choose to govern their chapters, it will help to have a clear understanding of PAYO's specific policies. Try not to let your experience or knowledge of other groups influence your perception of how a PAYO chapter can be run.

## HERE ARE SOME KEY FACTS:

A PAYO chapter is a geographically localized group of individuals comprised predominantly of members of PayrollOrg.

PAYO-affiliated chapters are autonomous organizations that share the goals and support the initiatives of PayrollOrg.

PAYO chapters are independent from PAYO National.

Affiliated chapters are entitled to use the name and logo of PayrollOrg, providing them with instant name recognition and credibility among leaders in the payroll community.

Education of its members is the foremost goal of PAYO National.

Chapters do not pay dues or have any direct financial relationship with PAYO National.

Bylaws and constitutions must incorporate a few basic rules of PAYO National, but are established by each chapter to meet the specific needs of the chapter's membership.

Local chapters are supported by, and in turn help support, PAYO National.

Please read the Chapter Policy Statement contained in its entirety to fully understand the rules of governing local chapters. If you have any questions, please contact the Chapter Relations Department at PAYO for assistance.

# Summary of the PayrollOrg Chapter Policy Statement

---

Since its inception, the PayrollOrg (PAYO) has encouraged its members to establish local chapters. Currently, there are 101 active, affiliated local chapters. All of these local chapters were formed on the basis of the same philosophy – to provide services to the area’s PAYO members that complement the activities of PayrollOrg. For example, local chapters focus on state and local payroll issues that are not covered in depth through PayrollOrg National courses.

In 1986, a committee of PAYO members met to discuss issues related to local chapters. At that meeting, they formalized and documented the PAYO local chapter philosophy in what is referred to as PAYO’s Chapter Policy Statement.

The Chapter Policy Statement outlines the general principles upon which local PAYO chapters are founded. It defines what local

chapters are and provides guidelines intended to help them maintain their strength and health.

As the policy states, local chapters are intended to assist PAYO in communicating with, educating, and providing associated services to individuals interested in payroll and related issues. PAYO-affiliated chapters conduct their activities in a manner that will complement PAYO’s efforts and encourage membership and participation in PAYO National.

PAYO recognizes the necessity of autonomy and encourages independence at the chapter level so that each chapter can respond to the particular and changing needs of its members. The following are some of the fundamental “rules” of PAYO local chapters, which are outlined in the Chapter Policy Statement and apply to all chapters.

- Only members of PayrollOrg National are eligible to hold an officer position within the local chapter. Associate Members cannot be officers or head committees or boards. However, they may serve as committee members.
- As with PAYO National, membership in the local chapter level is available only to individuals. There are two categories of membership allowed at the local chapter level. The first category is comprised of local chapter members who are also active members of PAYO National; these individuals are referred to as Regular Members. The second group are those individuals who are members of the local chapter but do not hold active membership at the National level. These members are considered Associate Members.
- Because PAYO local chapters are, by definition, smaller groups of PAYO members, members of PAYO National must comprise at least 51% of the chapter’s membership, and Associate Members are invited to join only through sponsorship by a Regular Member.
- In order to avoid conflicts between chapter activities and those sponsored by PAYO National and to maximize participation at the respective events, local chapters must submit a proposed schedule of their meetings and events to the Chapter Relations Department. Chapters will be notified if any dates conflict.

# Benefits that Chapters Typically Offer

---

Just as national organizations offer a wide array of benefits and programs for their respective members, so too do PAYO local chapters. Each chapter is encouraged to decide which benefits it will offer to members and how chapter programs will be administered. This autonomy is vital to ensuring that each chapter is able to respond to the specific needs and concerns of its membership. Below are some of the options chapters must consider. Many factors, such as the budget or level of participation, will dictate which ones are actually implemented.

- ◆ **Regularly Scheduled Meetings** – Chapter meetings serve as the foundation for the group to prosper. While regular meetings provide a venue to network and develop lasting friendships with fellow payroll professionals, and offer a great opportunity for members to learn about issues affecting payroll in their area, frequency of meetings is at the discretion of each chapter.  
  
PAYO National can also provide speakers for local chapter meetings through its National Speakers Bureau.\* In addition, chapter members can also earn RCHs for CPP and FPC recertification at meetings. Please submit a completed RCH Request Form to the Certification Department prior to the chapter event.
- ◆ **Chapter Newsletter** – Many chapters have newsletters that are distributed by fax, email, or regular mail. These newsletters keep members connected with chapter events and provide updates from various chapter officers and committees. Often the Chapter Government Liaison Officer will pass on new and pending regulatory and legislative information from PAYO's Government Relations Division via the chapter newsletter.
- ◆ **Chapter Websites** – Many chapters have informative websites with links to various local government agencies and information sources, including the PAYO website.
- ◆ **CPP/FPC Study Groups** – Many chapters offer CPP and FPC Study Groups to help members prepare for the CPP and FPC exams. This type of group learning experience can be vital to a person preparing for the CPP and FPC exams. Certified instructors also earn RCHs for CPP recertification.
- ◆ **Community Involvement** – Almost all PAYO chapters are involved with some type of community outreach to benefit local charities and educational institutions. Participating in these types of activities can give chapter members an immeasurable sense of satisfaction that comes only from helping those in need.
- ◆ **National Payroll Week** – Being involved with a chapter during NPW can be great fun! Over the years, chapters have created a wide variety of activities to commemorate NPW. Community outreach, educational outreach, government outreach and celebrations are just a few of the categories.
- ◆ **Global Payroll Week** - Celebrated the first week in May, GPW recognizes the importance of global payroll operations and the work of global payroll professionals. Like NPW, chapters can celebrate GPW in many ways.

\*Certain benefits only apply to affiliated chapters within the U.S.

- ◆ **PAYO Education Grants** – Every year, PAYO local chapters are encouraged to nominate at least one chapter member for PAYO’s Education Grants. Grants include a complete Congress registration including round-trip travel, copies of The Payroll Source®, free PAYO seminars, and other awards. Grant applicants must be active PAYO members in good standing with at least three years of payroll experience. For more information, visit [payroll.org/members/edgrant/](https://payroll.org/members/edgrant/).
- ◆ **Leadership Opportunities** – All chapters have at least one leader, with many having 10 to 20 volunteer leadership positions. By taking on the responsibility of chapter leadership, one can hone the skills needed to succeed in today’s competitive business world.
- ◆ **Special Events** – As a chapter member, one has the opportunity to attend special functions such as statewide meetings. Chapter members can choose to simply attend an event or be involved in the intense behind-the-scenes planning of these special functions.
- ◆ **Chapter of the Year Contest** – All PAYO chapters are encouraged to participate in the Chapter of the Year Contest. Being recognized as a member of an award- winning chapter looks great on a resume and during one’s annual review.

## OTHER BENEFITS

### ◆ CPP and FPC Study Groups

The Chapter Relations Department supports all educational events sponsored by chapters. A listing of CPP and FPC Study Groups with contact information is posted on PAYO's website. A free copy of PAYO's Payroll Source Online is offered to any CPP study group with 10 or more participants. A free copy of PAYO's Payroll Practice Fundamentals e-book is offered to any FPC study group with 10 or more participants. PAYO brochures are also available to chapters for these meetings. Please submit a completed RCH approval form to Certification Department at [RCHChapter@payroll.org](mailto:RCHChapter@payroll.org) prior to the chapter event.

### ◆ Chapter Statewide Meetings\*

The Chapter Relations Department sends PAYO brochures for all participants free of charge. The Chapter Relations Department also sends one door prize, per statewide meeting, at no cost. Additionally, each Statewide Event Committee can request one speaker from PAYO's National Speakers Bureau to speak at a meeting. Please submit a completed RCH approval form to Certification Department at [RCHChapter@payroll.org](mailto:RCHChapter@payroll.org) prior to the chapter event.

### ◆ CHAMPS

The Chapter Relations Department offers a mentor referral program exclusively for PAYO's local affiliated chapters in need of help from other more experienced chapters. CHAMPS, which stands for Chapters Helping PAYO-chapters Make Payroll Shine, was established to provide a "chapter-to- chapter" referral and networking service for PAYO chapter members to turn to when confronting unique challenges. Individual chapter member volunteers from all over the U.S. have signed up to help you and your chapter in more than 80 chapter management categories!

\*Certain benefits only apply to affiliated chapters within the U.S.

### ◆ **Congress**

Local chapters can count on playing a lead role at PAYO Congress. The chapter(s) residing in the Congress area are invited to host the Local Chapter Hospitality Booth. Chapter members hand out information about their chapter to attendees, and provide information to attendees about local entertainment and dining opportunities.

The Chapter Exchange is the only event at Congress that is exclusively for chapter members. All chapter members are encouraged to attend this important event to meet with the Board of Advisors and other PAYO VIPs, hear about upcoming chapter-related projects, and enjoy the camaraderie of local chapter members. Awards are also presented during the Chapter Exchange.

A Congress chapter workshop is also offered. This is a great opportunity for chapter members to learn from those who have dedicated years to making their chapters succeed.

### ◆ **PAYO Logo**

All chapters are permitted to use the PAYO National logo on their brochures and meeting notices. This nationally recognized logo establishes immediate credibility and the respect PAYO has worked diligently to earn over the years. This credibility allows the chapters to recruit new members and speakers. The PAYO National logo must be less prominent than the chapter logo to avoid confusion about a National event versus a local chapter event.

### ◆ **Organizational Support**

The Chapter Relations staff supplies chapters with sample chapter benefits information, sample member questionnaires, job responsibilities for chapter officer positions, and sample chapter bylaws.

### ◆ **Board of Advisors**

Chapters are divided into nine regions. Each region is supported and guided by one advisor. This represents the interests of chapters at annual board meetings, and will present the board with chapters' concerns or ideas for improvements. This advisor is a liaison with PAYO National and can offer support throughout the year.

### ◆ **Mailing Lists\***

All chapters may request mailing lists for PAYO National members in their area. These are very helpful for launching successful membership recruitment campaigns or alerting members in the area of a chapter-sponsored educational opportunity. Each chapter may receive two mailing lists a year or one every six months.

When new members join PAYO National, they automatically receive a welcome email encouraging them to join their local chapter. The message includes a link to the chapter area of PAYO's Website so that members can easily locate and contact their nearest local chapter.

\*Mailing lists may not be available to chapters outside of the U.S. due to privacy restrictions (e.g., GDPR).

### 4. Study Group Citations

PAYO recognizes Study Group Coordinators for their time and dedication in volunteering to help their chapter. Study Group Coordinators named on the [Register a Study Group](#) form will receive a Study Group Citation from PAYO.

### 5. Use of PAYO Intellectual Property

In creating, compiling, or acquiring content for study groups, the chapter may not copy, distribute, transmit, display, publish, sell, license, create derivative works of, or otherwise use any PAYO Intellectual Property as defined in Section 7 of the PAYO Policy Statement Regarding Chapter Affiliation without the express written consent of PAYO.

### 6. Virtual Components of Study Groups

- a. Chapters may host study groups in a virtual platform environment or in-person with virtual instructors through the Zoom account provided by PAYO to ensure RCH eligibility.
- b. There is no limit on the number of times chapter study groups may meet virtually within a calendar year.

### 7. Study Group Attendee List\*\*

Once a study group has ended, the list of all attendees must be sent to the Chapter Relations Department within 30 days. The list must be in an Excel spreadsheet containing:

- |                  |            |                  |
|------------------|------------|------------------|
| ▪ Chapter name   | ▪ Address  | ▪ Phone          |
| ▪ PAYO ID number | ▪ City     | ▪ Email          |
| ▪ First name     | ▪ State    | ▪ Number of RCHs |
| ▪ Last name      | ▪ Zip code | awarded          |
| ▪ Company name   | ▪ Country  |                  |

Failure to submit the list no later than 30 calendar days after the study group has ended may result in PAYO placing future restrictions on the chapter, including: loss of eligibility for chapter contests; loss of support from PAYO; and loss of chapter charter. As part of the study group registration process, registrants must be notified that their contact information will be provided to PAYO and that they may be contacted by PAYO after the event by phone, email, etc.

\*Must have 10 or more participants to receive free subscription/e-book.

\*\*Local chapters are responsible for obtaining the necessary consent from each attendee so that attendee information may be shared with PAYO (e.g., to comply with GDPR regulations).

## STATEWIDE/REGIONAL MEETINGS

A statewide/regional meeting is a conference hosted by more than one chapter or hosted by one chapter with multiple chapters in the same region attending or invited to attend in person. An affiliated chapter or chapters must be registered as host(s) on the [Register a Chapter Event](#) form to be considered a statewide/regional meeting.

Statewide/regional meetings must adhere to the guidelines outlined below. Any statewide/regional meetings not conforming to the guidelines and their host(s) may be subject to sanctions including loss of eligibility for chapter contests; loss of support from PAYO; and loss of chapter charter.

### 1. RCH Approval for Statewide/Regional Meetings

- a. Chapters must submit the [Register a Chapter Event](#) form at least 45 days before the statewide/regional meeting.
- b. Chapters must submit the [PAYO Local Chapter RCH Program Application](#) to PAYO's Certification Department at least 45 days before the statewide/regional meeting. The event must be registered first before RCHs are requested.
- c. Marketing material may not display a stated number of RCHs approved, pending, or submitted until final approval is granted by PAYO's Certification Department.

### 2. Timing and Schedule Approval for Statewide/Regional Meetings

- a. No statewide/regional meetings may be held in the same month as PAYO's Congress.
- b. No statewide/regional meeting may be held within 50 miles of the Payroll Congress location in the same year. Generally, Congress locations are announced at least 5 years in advance.
- c. Chapters must abide by the Chapter Marketing Guidelines, found below, to avoid conflicts with other statewide, regional, and national events.
- d. A statewide/regional meeting schedule, excluding pre-conference registration, may not encompass more than three days or 72 consecutive hours (i.e., noon Wednesday through noon Saturday).

### 3. Statewide/Regional Meeting Boards

- a. All statewide/regional meeting boards should be formed under the supervision of the associated chapter(s).
- b. Every chapter associated with a statewide/regional meeting must be represented on the statewide/regional meeting board or committee by at least one active chapter member who is a chosen representative for the chapter. If no willing chapter participant can be found, contact the Chapter Relations Department at [chapterrelations@payroll.org](mailto:chapterrelations@payroll.org).
- c. In order for any statewide/regional meeting to receive speaker, promotional, and other support from PAYO, all chapters associated with the meeting must be currently affiliated and in good standing with PAYO.

### 4. PAYO-Arranged Speakers\*

- a. Statewide/regional meetings may have a limit of two PAYO-arranged speakers (National Speakers Bureau members, PAYO staff members, and/or PAYO National Representatives) present per year, chosen at PAYO's discretion.

\*Certain benefits only apply to affiliated chapters within the U.S.

- b. The first PAYO-arranged speaker fee is paid for by PAYO. If two speakers are requested, the chapter(s) must pay the speaker fee for the additional PAYO-arranged speaker.
- c. Prior to the event, the chapters will receive an estimate of all associated costs for which they will be responsible. This includes the second speaker's fee (if two speakers are requested) as well as any travel, hotel, and incidental expenses. In most cases, a deposit will be required to confirm the speaker(s).
- d. After the event, the chapter will receive an invoice for all associated costs which have not yet been paid.
- e. Chapters must submit the [Speaker Request Form](#) at least 90 days before the statewide/regional meeting to request a PAYO-arranged speaker. If not received at least 90 days before the event, a speaker may not be found and provided. The event must be registered first before a speaker is requested.
- f. Each PAYO-arranged speaker can present workshops and/or keynote addresses totaling a maximum of three hours per event.
- g. Chapters must follow the established procedures and contract guidelines set by PAYO's Speaker Administration Department.
- h. Once a PAYO-arranged speaker's attendance is confirmed, requests to provide additional presentations must be made to PAYO's Speaker Administration Department and are not confirmed until agreed to in writing by PAYO and the speaker. The final details of the speaker's engagement may not be amended, edited, or verbally changed.
- i. The PAYO National representative will have 20 minutes during a General Session to present "PAYO Updates." These "PAYO Updates" do not count against the three-hour limit per event.
- j. All Speakers must be in person. Virtual presentations are not allowed for statewide/regional meetings. A special exception to this rule will be granted during state-mandated restrictions on in-person gatherings.\*

## 5. Support From PAYO

- g. Free publicity on the PAYO website

\*This restriction only applies to affiliated chapters within the U.S.

\*\*The statewide/regional meeting hosts must agree to present the discounted Congress registration giveaway in a drawing at a highly visible time and must promote this major door prize in statewide marketing materials. All promotions should include the tagline "Go to PAYOcongress.com for more details about the biggest payroll event of the year" and include the PAYO logo.

\*\*\*Certain benefits only apply to affiliated chapters within the U.S.

- h. A mailing list of PAYO members in the statewide/regional meeting's service area. The one-time use list must be requested by the host chapter through the [Local Chapter Mailing List Request Form](#) and will not count against the chapter's annual mailing list allotment.\*
- i. If PAYO staff will be an exhibitor at the Statewide, PAYO will provide a certificate for a Payroll Source Plus to be awarded to the winner after the event via email by PAYO. If a PAYO staff member attends but does not exhibit, PAYO will email the Coordinator the certificate after the event for giveaway.

**6. Use of PAYO Intellectual Property**

In creating, compiling, or acquiring content for Statewide/Regional Meetings, the chapter may not copy, distribute, transmit, display, publish, sell, license, create derivative works of, or otherwise use any PAYO Intellectual Property as defined in Section 7 of PAYO Policy Statement Regarding Chapter Affiliation without the express written consent of PAYO.

- |                  |            |                  |
|------------------|------------|------------------|

| ▪ Last name      | ▪ Zip code | awarded          |
| ▪ Company name   | ▪ Country  |                  |

Failure to submit the list 30 calendar days after the statewide/regional meeting has ended may result in future restrictions being placed on the chapter by PAYO including: loss of eligibility for chapter contests; loss of support from PAYO; and loss of chapter charter. As part of the statewide/regional meeting registration process, registrants must be notified that their contact information will be provided to PAYO and that they may be contacted by PAYO after the meeting by phone, email, etc.

\*Lists will only be provided to affiliated chapters within the U.S.

\*\*This restriction only applies to affiliated chapters within the U.S.

Chapters may, however, advertise to previous event/meeting attendees in these regions who have been added to the chapter's contact list or database.

# How to Get Started

---

Now that you know what a PAYO local chapter is and how it works, you're ready to get into the planning stages of this exciting endeavor. Letting your colleagues in the area know that you are interested in starting a chapter will be key to building the momentum necessary to get the chapter going. As more people become aware of your interest and enthusiasm, you will begin to form the core of the soon-to-be chapter. **Note:** These steps are intended primarily for U.S.-based chapters. International chapters may be subject to more restrictions regarding marketing and list sharing.

1. Contact the Chapter Relations Department at PAYO National. They can provide valuable guidance and advice based on the experience of other chapters, as well as practical items like a mailing list of PAYO members in your area. They can also team you with other PAYO chapter representatives in your area to learn first-hand from experts.
2. Request a CHAMPS Mentor referral by visiting PAYO's website, and clicking on the Chapters link.
3. Send a letter and questionnaire to all of the PAYO members in your area – this will help generate much-needed awareness and assistance.
4. Evaluate questionnaire responses to gauge the level of interest among PAYO members in the area. Remember, this is the basis of starting a chapter, so don't expect everything to happen overnight.
5. Contact those people who responded and schedule an organizational meeting.
6. Maintain your interest and enthusiasm – these are the most essential ingredients in starting a successful local chapter of PAYO. You'll find that your desire can become contagious if you have a positive attitude.

# Instructions for Sending Your Initial Interest Letter

---

A critical step in starting a chapter is drafting letters that you will send to PAYO members and other payroll professionals in your area. The letters should explain the benefit of a local chapter and encourage their involvement. Include a questionnaire in these initial packets and ask payroll professionals to complete and return it to you. Their responses will allow you to gauge the level of interest in the area.

Consider writing two separate letters – one for PAYO National members and one for individuals who may not be familiar with PAYO. This will allow you to tailor the content of the letters to match the knowledge of the reader. Obviously, the letter to non-members will include some background on PAYO, while the letter to members will include more about the added benefits of local membership. Sample letters and a questionnaire can be found in this packet for your convenience. You are welcome to modify them or create your own if you would prefer. Be sure to include your return address information on the questionnaire, and provide a specific date by which you want the questionnaire returned.

Once your letter and questionnaire are ready, send them to the Chapter Relations Department at PAYO along with a completed Local Chapter Mailing List Request Form. For best results, provide PAYO with an accurate ZIP code range covering the areas from which you would expect people to attend.

Following receipt and approval of your letter and questionnaire, PAYO will email the list of National members in your designated area within 10 business days. The next step is to mail them out and await responses.

It is unlikely you will get responses from everyone who receives the letter. You should realistically expect a response rate of anywhere from 25%-50%. No matter how many people respond, it is likely more people will attend your first formal chapter meeting than answered the questionnaire.

Compile the results of the questionnaires; this information will be useful when it comes time to plan your regular chapter meetings. The most useful information on the returned questionnaires will be the names and telephone numbers of people who responded. They should be contacted via telephone if possible. Introduce yourself, thank them for their interest, and invite them to a preliminary, informal meeting for respondents.

A press release submitted to business journals and other newspapers can be another way to attract payroll and finance professionals to your new chapter. Additionally, many media sources offer free postings of meeting information, so be sure to take advantage of all these opportunities.

# At the Preliminary Meeting

---

The initial meeting of volunteers is very important. During this meeting, the group should have three major objectives.

The first will be to discuss what types of expectations each volunteer has for the chapter and what each member is willing to do to accomplish those objectives. It is important for the chapter to define itself and establish a clear set of goals and purposes. Only a chapter can determine its priorities and decide on the most appropriate means of accomplishing its goals.

The second major objective is to begin planning the first formal meeting of the local chapter. Discuss and decide upon the following items:

- Date of the meeting
- Time of the meeting
- Place for the meeting
- Educational value of the meeting

Divide the following duties among the initial group of volunteers:

- Who will be responsible for coordinating and making sure the meeting has an outline and a direction?
- Who will lead the meeting?
- Who will obtain a speaker?
- Who will make the meeting location arrangements?
- Who will make the meal function arrangements if the first meeting is a lunch/dinner meeting?
- Who will send out the announcements?
- Who will set up the room?
- Who will register the attendees?

The above items are only a few suggestions. Create your own personal checklist carefully to make sure that everything is taken care of.

The last objective of this preliminary meeting should be to complete the Application for Chapter Affiliation.

This step is perhaps the most critical and it requires a sense of leadership on your part. If you succeeded in getting a handful of people to attend your preliminary meeting, you have essentially created a chapter. These individuals have indicated that they want to be part of the chapter in some capacity. Your next challenge is to get a percentage of them to take on some of the responsibility associated with the chapter. Fortunately, you'll often find the types of people who show up at organizational meetings are eager to volunteer. Now there is no good reason to delay making your chapter official.

Many individuals who get to this point propose that the group find more members before establishing a chapter. This time-consuming process can rob your chapter of the momentum it needs to move forward. While membership growth is important to your chapter's success, your preliminary meeting should focus on being established.

Again, act quickly and take advantage of the enthusiastic atmosphere of this first meeting. Review the affiliation application and begin asking for volunteers for interim officers. Later, once the first few formal meetings have taken place and your chapter has begun to take shape, you can have a more formal election process and establish a full slate of officers for a one- to three-year term.

## Sample Agenda

Remember to be yourself at this first meeting and rely on your genuine excitement about the prospect of a chapter to shine through. Your sincerity will go a long way towards influencing others to join you.

1. Introduce yourself and describe your reasons for wanting to start a chapter.
2. Define what a PAYO chapter is.
3. Discuss what types of expectations each volunteer has for the chapter.
4. Ascertain what each member is willing to do to accomplish those objectives.
5. Begin to define the chapter and establish a clear set of goals and purposes.
6. Agree that there is adequate motivation to establish the chapter.
7. Discuss any dues the chapter may require.
8. Call for volunteers to serve as interim officers.
9. Sign the PAYO Application for Chapter Affiliation.

# The Building Blocks of Chapter Success

---

Once you are officially under way, you and your members will need to start thinking about how your chapter will grow and become prosperous. Keep in mind these simple principles to ensure a bright future for your new chapter.

There are six fundamental areas on which all local PAYO chapters should focus. Each one is an equally important component of a successful local chapter:

## Chapter Management

Characterized by voluntarism and measures that keep the needs of the membership as the primary consideration.

## Service to the Payroll Profession

Celebrate the fact that your chapter does provide an important service, and let others know about it.

## Service to PayrollOrg

This is characterized more by a sense of goodwill and cooperation rather than blind allegiance. Maintaining open channels of communication with PAYO National representatives can only improve the outlook of your chapter.

## Government Services

You will find PAYO's Washington, D.C. contingent is the basis for this principle. Foster a relationship with PAYO's Director of Government Relations, Alice Jacobsohn, Esq., so that your chapter remains abreast of legislative and regulatory initiatives.

## Membership Services and Development

By ensuring that members' needs are constantly updated and addressed and that new members are welcome, your chapter will continue to grow.

## Educational Planning

Regular chapter meetings form the foundation of your educational plan and are reinforced with CPP/FPC Study Groups and statewide meetings.

# Budgetary and Financial Concerns

---

**This section applies to chapters in the United States.**

## ◆ Financial Concerns

Financial concerns will ultimately determine the success or failure of your chapter. For that reason, keeping tabs on the chapter's funds must be a top priority. A chapter's financial responsibilities can be divided into five major categories:

- Keeping financial records
- Preparing accurate reports for the Board of Directors
- Budgeting
- Safeguarding financial assets
- Complying with applicable laws and regulations

Finding a responsible and trustworthy person to serve as the chapter's Treasurer will be an important step for you or the Board of Directors. This person should possess basic accounting and general financial management skills, and should be known on a professional basis by at least one other member of the group. In the beginning, it may be advisable to establish a Finance Committee to oversee the chapter's finances.

The Treasurer or Finance Committee will be responsible for selecting the method for the chapter's bookkeeping. It is probably best to keep things simple and rely on cash basis accounting rather than the accrual basis. This simple version is easier to understand, and reports to the chapter will be much easier to follow using this method.

## ◆ Tax Issues

Filing for tax-exempt status is a process that many chapters face with more than a little trepidation. There seems to be an endless list of forms to fill out and complicated procedures to follow. However, by dedicating some time to becoming familiar with some of the terms, forms, and agencies, the pieces to this giant puzzle can come together, allowing your chapter to stand on more solid legal ground.

## ◆ Tax Terms

Let's first establish the difference between not-for-profit and tax-exempt. Non-profit and not-for-profit are state law concepts. Most states have laws whereby an entity can be incorporated as a non-profit or not-for-profit organization. However, the fact that an entity is organized as a non-profit or not-for-profit organization does not indicate that it is also exempt from federal income tax.

How about, what's the difference between a 501(c)(6) and a 501(c)(3)? A 501(c)(3) entity is generally a charitable or educational organization. It can also be regarded as religious in nature, educational, scientific, or literary. The term charitable is used in its generally accepted legal sense and includes relief for the poor, the distressed, or the underprivileged; advancement of religion; or advancement of education or science.

An affiliated chapter of an association is usually classified as a 501(c)(6), which is defined as a business league but may be a 501(c)(3) organization if its primary purpose is education. In general, it is an association of persons having some common business interest, the purpose being to promote the common interest and not engage in a regular business of a kind ordinarily carried on for profit. The business league must be devoted to the improvement of business conditions of one or more lines of business as distinguished from the performance of particular services for individual persons. It must be shown that the conditions of a particular trade or the interests of the community will be advanced by its actions. No part of its net earnings may be apportioned to the benefit of any private shareholder or individual, and it may not be organized for profit.

#### ◆ **The Application Process**

The IRS is the U.S. agency that grants organizations tax-exempt status. To gain this status, under 501(c)(6), a chapter must complete Form 1024, *Application for Recognition of Exemption Under Section 501(a) or Section 521 of the Internal Revenue Code*, electronically. This application is available on Pay.gov, must be completed in its entirety, and be accompanied by the appropriate user fee. Chapters should also request an employer identification number using Form SS-4, Application for Employer Identification Number, even if the chapter does not have any employees.

which must be signed by at least two persons, and be dated. The definition of an association can vary by state, so review those laws before proceeding. Review IRS Publication 557 for sample Articles of Organization.

#### **THE PACKAGE 1024 PROCESS IS AS FOLLOWS:**

- ◆ For the IRS to consider your chapter tax-exempt, your chapter must first be recognized as a trust, a corporation, or an association. In general, an association is a group that has come together for a specifically defined purpose. The association must have a written document such as "Articles of Association" showing its creation,
- ◆ Next, your chapter must have an exempt purpose. Since chapters are dedicated to the improvement of business conditions in the payroll industry, the criteria for an exempt purpose is satisfied.
- ◆ When completing Package 1024, your chapter will need to have an Employer Identification Number (EIN). If your chapter has not yet requested one, do so by completing Form SS-4.
- ◆ Include a conformed copy of your chapter's organizing document in Package 1024. A conformed copy is one that agrees with the original and all its amendments. A chapter officer must certify that the document is a complete and accurate copy of the original.
- ◆ Financial statements for a three-year period must also be included. If your chapter is new, include financial statements for the current year and proposed budgets for the next two years, including a detailed breakdown of revenue and expenses. If your chapter has been established for more than three years, include the same type of financial information for the current year and the two preceding years.
- ◆ If the chapter plans to be represented by an attorney or CPA throughout this process, include a completed Form 2848, *Power of Attorney and Declaration of Representative*, authorizing the attorney or agent to represent the chapter.

- ◆ When submitting Form 1024, the correct user fee must also be included. For 2024, the fee is \$600 and is subject to annual inflation adjustments.
- ◆ The IRS requires that Form 1024 be submitted electronically online at Pay.gov To submit Form 1024, you must:
  - Register or have previously registered for an account on Pay.gov.
  - Enter "Form 1024" or "1024" in the search box and select Form 1024.
  - Complete the form.
- ◆ To apply for tax-exempt status under 501(c) (3), complete Form 1023, *Application for Recognition of Exemption Under 501(c)(3) of the Internal Revenue Code*, or Form 1023-EZ, *Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code*.
- ◆ When submitting Form 1023 or Form 1023-EZ, the correct user fee must also be included. For 2024, the fee for Form 1023 \$600, and the fee for Form 1023-EZ is \$275. These fees are subject to annual inflation adjustments.

### ◆ Tax Filing Requirements

Generally, tax-exempt organizations must file an annual information return. Chapters can meet this requirement by filing a Form 990, *Return of Organization Exempt From Income Tax*, or Form 990-EZ, *Short Form Return of Organization Exempt From Income Tax*. The Form 990-EZ is designed for use by small tax- exempt organizations and nonexempt charitable trusts. A chapter can file a Form 990-EZ instead of Form 990 only if (1) its gross receipts during the year were less than \$100,000, and (2) its total assets (line 25, Column (B) of Form 990-EZ) at the end of the year were less than \$250,000. If your organization fails to meet either of these conditions, you cannot file Form 990-EZ. Instead, Form 990 must be filed. Form 990 or Form 990-EZ must be filed by the 15th day of

the 5th month after the end of your chapter's accounting period. The instructions for these forms indicate which IRS Service Center the forms must be sent to.

A tax-exempt organization that does not file the required return is subject to a penalty of \$20 a day for each day the failure continues. The same penalty will apply if the organization fails to give correct and complete information or required information on its return.

The maximum penalty for any one return is the lesser amount of \$10,000 or 5% of the organization's gross receipts for the year. If the organization has gross receipts in excess of \$1,000,000, the penalties grow to \$100 per day with a maximum penalty of \$50,000.

Even though an organization is recognized as tax-exempt, it still may be liable for tax on its unrelated business income. An exempt organization that has \$1,000 or more gross income from unrelated business must file Form 990-T, *Exempt Organization Business Income Tax Return*. The obligation to file Form 990-T is in addition to the obligation to file the annual information return. Tax- exempt organizations must make quarterly payments of estimated tax on unrelated business income. An organization must make estimated tax payments if it expects its tax for the year to be \$500 or more. Form 990-T of a tax-exempt organization must be filed by the 15th day of the 5th month after the tax year ends.

### ◆ Access to Information

Tax-exempt organizations must make their last three annual information returns and their approved application for recognition of exemption with all supporting documents available to the public for inspection. In keeping with the Taxpayer Bill of Rights 2, the organization is required to provide copies of these documents upon request without charge

(other than a reasonable fee for reproduction and copying costs) to any individual or agency requesting them. Penalties are assessed for failure to comply with these requirements.

#### ◆ **More About Unrelated Business Income Tax**

Unrelated business income is income from a trade or business regularly carried on that is not related to the chapter's performance of its exempt purpose or function. An exempt organization that has \$1,000 or more gross income from an unrelated business must file Form 990-T, Exempt *Organization Business Income Tax Return*.

All organizations subject to Unrelated Business Income Tax (UBIT), except trusts, are taxable at corporate rates on that income. An activity is considered an unrelated business if it meets the following three requirements: (1) it is a trade or business, (2) it is regularly carried on, and (3) it is not substantially related to furthering the exempt purpose of the organization. There are a number of exclusions and modifications to this general rule that should be explored by a professional.

#### ◆ **Get Professional Help**

This information is meant to be a guideline for you to get some idea of the process of having your chapter recognized as a tax-exempt entity. PAYO strongly suggests that you consult with a lawyer and an accountant before proceeding with your application.

In all circumstances a lawyer or CPA should at the very least review your application before it is sent to the IRS. For beginning chapters,

the thought of having to pay legal fees before any revenue has accumulated in the chapter treasury may be discouraging. This is a great time to reach out to friends who may be lawyers or know lawyers who may support your cause. If that doesn't work, contact the local Bar Association Pro Bono Committee or United Way for names of civic or philanthropy-minded lawyers who may review your documents for free. If all else fails, negotiate a reasonable fee with a lawyer, usually around \$500 or less to help process your documents.

If you're looking for a CPA to assist with tax considerations, check with PAYO to see if there are members in your area that are CPAs. You may have a chapter member who is a CPA and wouldn't mind taking on this project on a permanent basis. This could also be a great time to introduce yourself to your coworkers in the accounting department to see if one of them could help.

#### ◆ **Bringing It All Together**

Filing for tax-exempt status will never be the easiest project that a chapter will undertake. But, once completed, the chapter can rest assured that it has substantially reduced the risk of receiving a potentially unpleasant phone call from the IRS. It will also be a great relief to know that probing questions from other government agencies and individuals can be answered without hesitation or concern.

By making the process a chapter-wide project, successfully completing this project will bring the principals of the chapter closer together, thereby strengthening the chapter as a whole.

# American Payroll Institute, Inc. Policy Statement Regarding Chapter Affiliation Adopted June 25, 1986

---

## Section 1 – Chapters

A local group of members of the Institute consisting of two dues-paying members of the Institute in good standing (referred to in this Policy Statement as a “Payroll Group”) may be declared an Affiliated Chapter of the Institute by approval of the Board of Directors or the Executive Director. Before such approval is granted, it shall be determined that the Payroll Group satisfies the criteria set forth in this Policy Statement. An Affiliated Chapter shall be entitled to use the Institutes’s name and logo for activities authorized under its Articles of Association, or other documents of organization approved by the Institute, and consistent with the criteria described in this Policy Statement; provided that such use shall be accompanied by a clear indication that the activity is that of the Affiliated Chapter and not of the Institute.

## Section 2 – Applications

A Payroll Group requesting affiliation shall submit to the Board of Directors of the Executive Director a written application for affiliation on a form provided by the Institute. The application will be consistent with the terms of this Policy Statement.

## Section 3 – Membership

An Affiliated Chapter may offer the two classes of membership described in this Section but no other classes of membership. Only individuals will be eligible for membership. One such membership shall be referred to as a Regular Membership. The other membership shall be referred to as an Associate Membership. All Regular Members must be members of the Institute. Only a Regular Member will be eligible to act as an Officer of the Affiliated Chapter. A person who is not a member of the Institute may become an Associate Member of an Affiliated Chapter only by invitation of a Regular Member of such Affiliated Chapter. An Associate Member may not renew his/her Associate Membership without sponsorship of a Regular Member. All members, whether Regular or Associate, will be expected to share their knowledge and experiences and to make a positive contribution to the Affiliated Chapter and to the payroll discipline.

## Section 4 – Documents of Organization

If the Payroll Group or the Chapter represented by the Payroll Group formally adopts documents of organization (such as a Certificate of Incorporation and Bylaws or Articles of Association), copies of such documents shall be mailed to the Institute promptly thereafter. Samples of such documents that are acceptable to the Institute will be supplied to the Chapters upon request.

## **Section 5 – Yearly Plan**

The Institute will submit no later than October 1 of each year, to each Affiliated Chapter, a calendar of events scheduled for the next succeeding calendar year. Each Affiliated Chapter must agree in writing as part of its application (1) not to schedule its events and activities in conflict with the Institutes's events and activities, (2) to submit a schedule of its events and activities to the Institute, and (3) agree to abide by all rules and regulations outlined in the current Local Chapter Guide, available at payroll.org. Any planned event of an Affiliated Chapter, which is in conflict with any planned event of the Institute, must defer to the plan of the Institute. The Institute will determine, in its sole role, whether a conflict exists.

## **Section 6 – Eligibility**

A Payroll Group or Chapter shall not be considered for Affiliated Chapter status unless, at the time the application for affiliated status is filed, at least 51% of its members are dues paying members of the Institute in good standing. Chapters that do not have 51% of their members as dues paying members of the Institute at the time of affiliation or re-affiliation must actively work with PAYO's Chapter Relations department to raise their percentage of membership. In extreme cases, Chapters that do not meet the minimum required membership level may lose their charter. In circumstances where a Chapter does not meet the minimum eligibility requirements for two consecutive re-affiliation periods, the Board of Directors or the Executive Director of the Institute shall consider each application for status as an Affiliated Chapter and shall conduct such further examination as it may deem necessary to determine the eligibility of such applicant Payroll Group for such status.

## **Section 7 – Term of Affiliation and Renewal**

The term of an Affiliated Chapter's affiliation shall be one year from the effective date of affiliation. The Institute shall have complete discretion to determine whether or not re-affiliation shall be allowed to occur. If deficiencies are found within an Affiliated Chapter's affiliation or re-affiliation application, that Chapter will be granted a reasonable time period to cure such deficiencies and will be advised of the deficiencies and deadlines to cure, in writing, within 90 days of application receipt by the Institute. Nothing in this Section shall be interpreted as restricting the Institutes's right under Section 8 to effect the disaffiliation of any Affiliated Chapter.

## **Section 8 – Disaffiliation**

The Board of Directors or the Executive Director of the Institute may withdraw the affiliation of an Affiliated Chapter if (1) the activities of such Affiliated Chapter are not authorized in its Articles of Association or other documents of organization, if any; (2) the activities of such Affiliated Chapter are inconsistent with this Policy Statement; or (3) such Affiliated Chapter's Regular Members comprise less than 51% of its total membership for more than 90 days. A preliminary determination of disaffiliation on the foregoing grounds shall be made by the Executive Director of the Institute, of which determination shall be final if not appealed from by the disaffiliated Chapter within 15 days after the disaffiliated Chapter receives notice of such preliminary determination. The disaffiliated Chapter may appeal from such preliminary determination by delivering written notice of such appeal to any Director of the

Institute. The appeal shall be considered by a special panel consisting of one person appointed by the Board of Directors of the Institute, one person appointed by the disaffiliated Chapter and one person appointed by the first two panel members so appointed. The determination of disaffiliation shall become final upon majority vote of the special panel. Such determination shall be subject to judicial review only for the purpose of determining whether the special panel's determination was made arbitrarily, capriciously or fraudulently. Any Affiliated Chapter whose roll of Regular Members falls below two for a 12 month period shall automatically be disaffiliated without any right to appeal. At the time disaffiliation becomes final by vote of the special panel, the disaffiliated Chapter shall no longer be entitled to use the Institutes's name and logo for any purpose.

### **Section 9 – Autonomy**

Except as otherwise provided in this Policy Statement, an Affiliated Chapter shall have complete autonomy with regard to all phases of its operation including adoption of its Articles of Association or other documents of organization.

### **Section 10 – Officers**

All Officers of an Affiliated Chapter must be currently enrolled as members of the Institute and, if applicable, be dues paying participants of the Affiliated Chapter.

### **Section 11 – Relationship**

No Affiliated Chapter shall be deemed to be an agency or instrumentality of the Institute or another Affiliated Chapter, nor shall the Institute be deemed to be an agency or instrumentality of any Affiliated Chapter. The Institute shall not be liable in any way for the debts or actions of any Affiliated Chapter, nor shall the Affiliated Chapters individually or collectively be responsible for the debts or actions of the Institute.

### **Section 12 – Guests at Meetings, Programs, and Seminars**

Guests of any member of an Affiliated Chapter shall be permitted to attend Affiliated Chapter meetings without charge; provided, however, that, except as specifically provided below, each such guest may attend no more than two such meetings in a calendar year and no member of an Affiliated Chapter may invite more than two guests at a time. All employees of a host employer for any Affiliated Chapter meeting, program or seminar shall be entitled to attend such meeting, program or seminar without charge. A representative of a member chosen by the member to attend a meeting, program or seminar in the place of the member will not be considered a guest for the purposes of this Section. Whenever admission is charged for a meeting of an Affiliated Chapter, program or seminar, the admission fee applicable to Associate Members of the Affiliated Chapter and nonmembers shall be no less than 120% of the admission fee applicable to Regular Members. For the purposes of this section, the term "meeting" shall refer only to regularly scheduled meetings of the Affiliated Chapter for which no admission fee is charged and shall not include specially scheduled meetings, programs, or seminars offered by any Affiliated Chapter or the Institute.

### **Section 13 – Goals of Affiliation: General Principles**

The goal of the Institute in granting affiliation is to encourage the formation of local groups having the payroll discipline as a common primary interest. The Institute intends that such local groups will provide assistance in the Institutes's efforts to communicate with, educate and provide related services to individuals interested in the payroll discipline. Accordingly, the Affiliated Chapter will conduct its activities in a manner that will complement the Institutes's efforts and encourage membership in the Institute and participation in the Institutes's activities. The goals of each Affiliated Chapter will vary from time to time and from Chapter to Chapter. The Institute recognizes the necessity for autonomy and independence at the Chapter level so that each local Chapter will be able to respond to the various and changing needs of each Chapter's members. Accordingly, subject to the condition that Affiliated Chapter activities and policies must not endanger the likelihood of success of the Institutes's activities and achievement of the Institutes's goals, the Institute intends to encourage Affiliated Chapter autonomy, independence and strength.
