WHY ATTEND?

Payroll Congress brings together payroll professionals from around the world for a four-day event designed to enhance their knowledge, skills, and networking. With educational sessions, workshops, and keynote speakers offering the latest information on payroll trends, regulations, and innovations, this conference is a must-attend for any aspiring payroll pro!

Educational Sessions

Payroll Congress offers a wide array of education through over 100 workshops that help professionals stay up-to-date with payroll laws, compliance requirements, and industry best practices.

Networking Opportunities

Payroll Congress fosters connections between payroll professionals, industry leaders, and solution providers, allowing attendees to share experiences, ideas, and strategies for improving payroll processes.

Exposure to Payroll Technology and Solutions Exhibitors showcase the latest tools and technology in payroll at the world's largest payroll expo, offering attendees a chance to learn about solutions that can enhance their efficiency and accuracy in managing payroll operations.

Advocacy and Compliance Awareness

Payroll Congress promotes awareness of new government regulations and provides strategies to ensure businesses remain compliant with payroll laws at local, state, national, and global levels. It also keeps attendees updated on advocacy efforts for the payroll profession, including the latest legislative changes.

Leadership and Strategic Thinking

Payroll Congress provides guidance on how payroll professionals can take on more strategic roles within their organizations, improving their leadership skills and contributing to broader business goals. This event offers practical insights on driving operational efficiencies, aligning payroll functions with corporate objectives, and creating a culture of continuous improvement. By focusing on innovation, process optimization, and data-driven decision-making, you will learn how to influence key business strategies and build stronger connections within your organization.

HIGHLIGHTS

FÊTE-Payroll Congress Party

Make lasting memories at FÊTE!, the highly anticipated Payroll Congress party. It's the perfect way to let loose and celebrate with payroll friends new and old. Grab a drink and hit the dance floor or check out the interactive entertainment!

EDUCATION TRACKS

Congress offers four days of top-rated educational workshops. Choose from more than 100 60-minute workshops, offered in a variety of education tracks, to increase your level of understanding in all areas of payroll and related fields.

Payroll Thought Leadership

These workshops focus on learning how to obtain significant return on investment and overcoming industry challenges with specific product solutions. These educational workshops showcase how organizations implemented specific solutions that positively impacted their bottom line.

Late-breaking Legislative and Regulatory Updates These workshops review current and upcoming legislative and regulatory changes at both the federal and state level. These workshops are a must for anyone involved in maintaining compliance within their organization.

Payroll Management and Operations

These workshops present topics critical to the efficient operation of the payroll process, to help ensure employees are paid accurately and to identify compliance issues and resolve them before your organization is subject to penalties.

Benefits and Compensation

These workshops focus on compliance with benefits and compensation requirements, including the latest developments in fringe benefits, stock options, and nonqualified deferred compensation plans.

Global Payroll

These workshops delve into global strategies and success, whether you are processing payroll for one country or multiple regions. Explore a wide spectrum of the payroll function, risks, compliance, and related issues from a global perspective.

Technology

These workshops are designed for anyone focusing on technology covering the latest on artificial intelligence, robotic process automation, pre- and post-implementation, and metrics.

Professional Development

These workshops offer insights and perspectives for enhancing your interpersonal skill set and advancing your career. Covering a range of topics from analytics and communications to metrics and negotiation skills, these sessions will further your professional growth.

OPENING GENERAL SESSION

Smiley Poswolsky Workplace Belonging Expert, Thought Leader, and Author

"The Power of Belonging and Human Connection"

In a lonely, nonstop, overwhelmed workplace – as time spent face-to-face has been replaced with wall-to-wall Zoom meetings, 24/7 Teams messages, and the rapid rise of AI and ChatGPT - workplace belonging has withered. During this session, Smiley will share an interactive exercise for fostering team engagement and psychological safety, as well as practical tools and actionable habits to foster more human connection in every stage of the employee experience. Leave with an easy-to-use, action-based toolkit to create a culture of human connection for your people, your customers, and your company.

The Future of Work and Pay GENERAL SESSION

John Sanei Global Futurist, Business Strategist, and Best-Selling Author

"A.I.'s Impact on the Workplace: Challenges and Opportunities"

New developments in artificial intelligence are changing the face of work forever. In this keynote presentation, John will teach you how to adapt and evolve with this technology, instead of resisting its progress. Learn about the potential benefits and challenges that AI may bring and gain a better understanding of how to prepare for and adapt to these changes. This session will explore topics such as automating tasks, improving decisionmaking, and enhancing customer experiences, as well as highlighting case studies to demonstrate how AI can be applied in business settings.

Recertification Credit Hours (RCHs), Continuing Education Units (CEUs), and Continuing Professional Education (CPE) Credits

CPPs and FPCs: After attending the 2025 Payroll Congress, you will receive an online evaluation. After completing the evaluation and showing you have met the requirement to select and attend individual workshops and general sessions that are eligible for RCHs, you will have an opportunity to print your thank you letter confirming your attendance and the award of up to 20 RCHs and 2.0 CEUs. Retain the "thank you for attending" letter in case you need it for a recertification audit. Certified Public Accountants (CPAs) seeking CPE credits must follow the National Association of State Boards of Accountancy (NASBA) guidelines. You will receive your CPE credits 6-8 weeks after the conference. Certified Payroll Accountants (CPA) can earn up to 24 CPE credits for attending each applicable general session and workshop sessions. Kor CPE credits will be given for on demand sessions.

PayrollOrg is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org. No prerequisites or advance preparation required. Delivery method: Group Live. Program level: Overview. PayrollOrg's CPE sponsor identification number with the NASBA is 103152.

CPE Complaint Resolution Policy: PayrollOrg will make every effort to resolve complaints regarding NASBA compliance within a reasonable amount of time and in a confidential manner. A formal complaint must be submitted in writing and must set forth a statement of the facts and the specific remedy sought. Submit CPE complaints to: PayrollOrg, Attn: Certification, 660 North Main Avenue, Suite 100, San Antonio, Texas, USA 78205-1217. Certification: +1.210.226.4600.
