

The U.S. Bank Focus Card

The trusted and safe choice for your payable needs.

A fully-integrated solution with no set up cost¹ to your organization

We are the only provider in the U.S. that offers a fully integrated prepaid solution. This gives us greater control, reduces risk and lowers cardholder fees. While other providers outsource the issuing bank and processor roles, U.S. Bank does this all in-house – saving you money and assuring service excellence.

Proven solutions and implementations

With over 20 years of experience, our team follows a collaborative approach that successfully implements your prepaid program.

- Dedicated Implementation team
- Project management
- Relationship management
- Marketing support
- Operations support

“I like how I can easily set up a new employee with the Focus Card and make it immediately active for the person to receive his/her payroll as soon as the next day.”

Data source: 2019 annual client survey

Benefits your employees will love

Safe – Funds are protected² if lost or stolen

Alerts – Track purchases and loads with text³ and email alerts

Cash access – Over thousands of complimentary, in-network ATMs available nationwide

Convenient – Can be used anywhere Visa[®] or Mastercard[®] debit cards are accepted worldwide

Reloadable⁴ – Add tax refunds, pay from a second employer, and even cash deposits

¹ No cost for standard payroll card program. Normal ACH fees still apply.

² Cardholders are generally protected from all liability for unauthorized transactions with Zero Liability. Cardholders must call the number on the back of their Card immediately to report any unauthorized use. Certain conditions and limitations may apply. See the Cardholder Agreement for details.

³ For text messages, standard messaging charges apply through your mobile carrier and message frequency depends on account settings.

⁴ Successful identity verification required for loads from other sources. Log into the Focus Cardholder website for details.
